 1293 Current Employment Status 13) Which choice best describes your current employment or work situation?
 14) Overall, and taking into account all positions you fill, how satisfied are you with your current
 1294 employment or work situation?
 15) If employed, how many positions do you currently hold? Note: There is no legal standard for part-time
 work, and each employer defines part-time work differently. Part-time work generally refers to workweeks
 of 35-hours per week or less. Per diem, temporary, contract, self-employed and seasonal workers, and
 workers subject to annual limits on hours should consider average hours spent working over the term of
 1295 employment.
 16) Considering all positions you currently fill, how long is your average workweek? Unless otherwise noted,
 the rest of the questions draw on your experiences over the past 12 months. If you did not work in the past
 1296 12 months in a capacity that drew on your behavioral sciences background, please skip to question 42.
 Primary Work Location Questions 17 to 24 refer to your primary place of employment, work or practice
 (volunteer or paid) over the past 12 months. This is the location where you spend the most work hours
 during an average workweek or where you spent the most weeks working in the past 12 months. You do
 not need to currently work at this location. These questions refer to a location, not an employer. Persons
 who consistently work in multiple locations (e.g. temporary workers, home health, multi-facility rounds)
 should choose the location where they are based. 17) Please select the Virginia County or Independent
 1297 City, or other location, of your primary place of employment, work or practice:
